## Structure of the Master's Course of Study Meteorology

1st Sem.	<b>12-111-1001</b> (6 CP) P1 – Dynamics and Synoptics	<b>12-111-1019</b> (5 CP) P2 – Atmospheric Radiation					
2nd Sem.	<b>12-111-1020</b> (5 CP) P3 – Advanced Weather Discussions	<b>12-111-1021</b> (6 CP) P4 – Dynamics of the Global Climate System	Elective Area 1 (General Meteorology) (10 CP)	Elective Area 2 (Theoretical Meteorology) (10 CP)	Elective Area 3 (Experimental Meteorology) (10 CP)	Elective Area 4 (Physics) (8 CP)	Free Elective Area (10 CP)
3rd Sem.	<b>12-111-1022</b> (10 CP) P5 – Current Research in Meteorology	<b>12-111-1023</b> (10 CP) P6 – Advanced Scientific Working in Meteorology					
4th Sem.	Master's Thesis (30 CP)
