

Summary of electives for M. Sc. Earth System Data Science and Remote Sensing in the winter semester 2024-2025 according to subject cooperation:

No application needs to be submitted to the examination board for modules that are completed in accordance with subject cooperation. If you would like to have the modules assigned in AlmaWeb, please write an email to studium-geo@uni-leipzig.de

If you have any questions about registering for modules in meteorology, geology and geography, please use the following email: module-registration@physes.uni-leipzig.de

courses	module number	module name	LP	Module enrollment
from Meteorology, B. Sc. und M. Sc. (Faculty of Physics and Earth Sciences)	12-111-0001	P1 - Einführung in die Meteorologie (Introduction to Meteorology)	5	The enrollment and simultaneous exam registration is done via Tool. Period: 10/01/2024, 12:00 p.m. to 10/07/2024, 17:00 p.m.
	12-111-1001	P1 - Dynamics and Synoptics	6	
	12-111-1019	P2 - Atmospheric Radiation	5	
	12-111-1036	E2 - Ground-based Radar and Microwave Remote Sensing (Please note that you can also take the following modules as elective modules!!!)	5	
	12-111-1038	E4 - Active Remote Sensing with Lidar (Please note that you can also take the following modules as elective modules!!!)	5	
from Physical Geography, M. Sc. (Faculty of Physics and Earth Sciences)	12-GGR-M-PG01A	Environmental Change an Natural Risks - Geomorphological and Quaternary Environmental Perspective	5	
	12-GGR-M-PG01B	Environmental Change an Natural Risks - A Biogeographical Perspective	5	
from Economic and Social Geography, M. Sc. (Faculty of Physics and Earth Sciences)	12-GGR-M-AG11	Städtische Räume: Theorien und aktuelle Forschungsperspektiven (Urban Areas: Theories and Current Research Perspectives)	10	
	12-GGR-M-AG12	Spezielle Methoden der Regionalforschung (Advanced Methods in Regional Studies)	10	
from Biology, B. Sc. (Fakultät für Lebenswissenschaften)	11-BIO-115	Molekulare Pflanzenphysiologie (Molecular Plant Physiological)	10	

The Language of instruction is indicated by Language of title.
