## WEBINARS

The next webinars of the Sphingolipid Biology series are focused on membrane structure and tools to study sphingolipid organization within the membrane.

Don't miss these exciting talks!

## WEBINARS

### Sphingolipid Biology

May 31, 2023 | 4h30PM CET

**Photoswitchable sphingolipids for optical control of lipid microdomains**  
Henri Franquelim  
Leipzig University, Germany

**What drives gangliosides to form nanodomains in biological membranes?**  
Šachl Radek  
J Heyrovsky Institute, Czech Republic

**REGISTER**

## CONFERENCES

The second edition of the **FEBS Special Meeting on Sphingolipid Biology** will take place on the beautiful Island of Madeira, from **8 to 13 October 2023**.

The meeting will cover several topics on sphingolipid research, including:

- Breakthrough strategies to study sphingolipid's structure and functions
- Sphingolipids in membrane organization and function
- Sphingolipids as hubs in cell communication
- Immune response and pathology
- Neurobiology and neurological diseases
- Hot Topics on Sphingolipid field

Check out the full program at [www.sphingolipidbiology2023.febsevents.org/](http://www.sphingolipidbiology2023.febsevents.org/)

## Sphingolipid Biology

FEBS Special Meeting 2023 The dawn of a new era

### Early Bird Registration

25th May 2023

### Abstract Submission

25th July 2023

### Youth Travel Grants

19 May 2023

### Registration Fees\*

Students/Early Stage researchers: 750-850€

Senior Researchers: 1020-1370€

\*Includes conference package, 5 nights at Hotel Pestana Casino Park and meals

October 8-13, 2023

Funchal, Madeira Island, Portugal

## CAREER OPORTUNITIES

Are you looking for highly motivated students and postdocs to join your team? We are happy to advertise career opportunities through our platform.

[Contact us](#) for more information!

## JOIN US

Would you like to be part of the Sphingolipid Biology Team and develop research dissemination activities?

[Email us!](#)

## FEBS YOUTH TRAVEL FUNDS

Grants are available for students and postdocs to attend the **FEBS Special Meeting on Sphingolipid Biology**. The grants cover the registration fee for the meeting, which includes accommodation and meals.
